

OVAL

A personal favorite at trade shows, the Classic Overhead Oval offers a large two-sided graphic that looks stunning from any angle and is a great value.

For larger booths, the oval can be combined with overhead two-dimensional signs for an extraordinary multi-dimensional look.

The Oval comes in multiple curves—from 10 ft. to 12 ft. It ships in a heavy corrugated or reusable portable case(s), assembles in minutes without tools, and comes with Classic Exhibits' legendary set-up instructions. Custom sizes are also available.
