

## SQUARE

## SQUARE

For getting attention on the show floor, there's nothing "square" about the Aero™ Overhead Square! Each side is the ideal visual billboard to reach every corner of an event with your unique branding.

Comes in a Tapered Square shape too! Custom sizes are also available.

For even more visibility, the optional bottom fabric cover adds an additional surface in the high impact but often under-utilized space above your exhibit. For a stunning "can't miss" look, add rotation.
